FOR IMMEDIATE RELEASE

F-15C CRASH

EGLIN AIR FORCE BASE, Fla. – Two Air Force F-15C Eagles were reported missing today at approximately 2 p.m. CST in the Gulf of Mexico.

The two aircraft were assigned to the 33d Fighter Wing. At the time of the accident, they were on a training sortie.

Active search and rescue efforts are underway.

A board of officers will investigate the accident.

Additional details will be provided as soon as they become available.
